SOCIAL MEDIA CALENDAR, TIPS & SUPPORT

HELLO & WELCOME TO OUR NEW FRIENDS!

Howdy!

Shen West - Design Specialist & Lady Boss

We have had a huge uptake on our Social Media Calendar this month - so thank you to those of you who have shared and recommended us ❤️. We have also had lots of enquiries from people here in Australia who need to update their website to increase their online presence and Covid-Proof their businesses. If your business is struggling in these hard times, ping us an email and we can have a chat. There are things you can do and we can help you.

Our tip for this month is to have a go at a podcast! There is no better way to celebrate International Podcast day on the 30th! Do some research, find a good topic for your industry or niche, research and listen to other similar podcasts, and then record your own, drawing on your experience. Let us know how it goes - we love a podcast here - so send us the link when you are done ☺

As always, if you have any questions or want to reach out and say Hi! We love our network of amazing BIZ owners, and we love hearing from you all - so give us a shout so we can all support each other!
